

Christian Faith — and Life —

Combining the BIBLE CHAMPION and the ESSENTIALIST

Vol. 40

JANUARY, 1934

No. 1

New Year, 1934

CHRISTIAN FAITH AND LIFE lovingly greets its readers and fervently prays that this year of our Lord, 1934, may be made the year of the Holy Spirit by Pentecost repeated: by that serious Re-thinking Pentecost which the church has not done for a long time; to realize what Pentecost was if it meant anything; the adequate start by Christ of His Church to save that generation when Christ died to the uttermost parts, with Almighty demonstration of power showing it possible, though stupendously impossible for a hundred disciples.

To Re-think Pentecost the normal activity of Spirit-filled churches recurring through the centuries, in our day, in Finney's, and in Evan Robert's meetings; the Holy Spirit convincing the world in mass and the Church in power together; and God's presence in awful feeling by all the radiantly empowered disciples, climaxing all by thousands saved at once—not by ones and twos.—*Charles Roads, D.D.*

Matthew Henry's Commentary

"Makes Sermon Preparation an Actual Joy"

—writes a delighted user.

❑ No preacher or Bible student should miss the opportunity (*offered this month only*) to secure during these depression times Matthew Henry on his own terms!

❑ Recently a great Bible student, Rev. J. D. Jones, of Bournemouth, England, a man whose works are read by millions—whose counsel is sought by thousands—was asked to begin the making of a commentary upon the whole Bible as he had done on some of the Books of the Bible. His reply was:

"That has been done and satisfactorily done by Matthew Henry. He cannot be superseded, and the marvel is that he should have been able to do it as completely and well as he has. It cannot be done again."

enough of this great "Assistant," which has so far eluded your possession, and that this will be the next purchase you are going to make.

❑ Fellow students and fellow preachers will tell you that you cannot equal *Matthew Henry* for his wealth of inspiration, help, interpretation and the vast store of sermons it offers, ready to be launched from its inexhaustible pages.

❑ The greatest preachers of other days attributed much of their inspiration to this remarkable work. Alert preachers are turning again to it in increasing numbers. After the strife of the battle of criticism, they are finding it a relief in its calm, helpful interpretations.

C. H. Spurgeon said: "Every minister ought to read *Matthew Henry* entirely and carefully through once at least. He will acquire a vast store of sermons, and as for thoughts, they will swarm around him like twittering swallows around an old gable towards the close of autumn."

Theodore L. Cuyler said: "To how many a hard-working minister has this book been a mine of gold! Next to wife and children has lain near his heart the pored-over and prayed-over copy of his *Matthew Henry*."

THE Lord commanded, and Wheaton has ever sought to obey the command. Not only in commercial pursuits, but also as Gospel heralds, the number of Wheaton graduates upon the foreign field is increasing each year.

Above is shown the Student Volunteer Band of Wheaton College. Its membership is limited to those who purpose to become foreign missionaries. From an organization of a half dozen earnest workers some years ago, the band has now grown to over one

hundred. Its aggressive spirit is a true index of Wheaton's dynamic evangelism.

It is possible for Christian people everywhere to become partners with the College in its work of training strong and active Christian young men and women like these for success in every walk of life. An Annuity Contract with Wheaton College does not fluctuate in value. Yields a fixed annual income for life. Saves or reduces taxes. And makes you a present and future sharer in the work of the College “for Christ and His Kingdom.”

JOSEPH M. RAMSEY, Editor

Don't compare the 1934 Annual with any other volume! No minister's help has ever presented such a storehouse of Sermons, Illustrations and Complete Church Service material from the nation's great preachers. It is truly an "every-preacher's" book, a one-book library, with a list of contributors that has been aptly compared to a religious "Who's Who for 1934."

"We stand for and emphasize the foundation truths held in common by evangelical Christians. These we teach from the Bible, in which we find the supreme revelation of God's character, and will, and of His plan of salvation and Christian training, which we seek to make plain to all, while especially adapting it to the needs of children and young people."

Acclaimed as Spurgeon's most Important set!! One you should own.

The Treasury of the New Testament

by CHARLES HADDON SPURGEON

"An Expository and Devotional Treatment of Practically the Entire New Testament,"
writes Dr. Perry F. Webb, President of Southern Baptist Convention

THE BEST SERMONS OF THE WORLD'S GREATEST PREACHER!

679 Sermons
1,383 Subjects

3,544 Double Column Pages
4 Large Handsome Volumes

Sermons that are Spiritually Refreshing

Enthusiastic Praise from

THE SUNDAY SCHOOL TIMES:

"These sermons are clearly divided....an introduction....three to five main points....he stuck to his text and carried out what he promised in the introduction....extra-ordinary power of imparting to the heart the great truths taught by the texts....the Christian family that adds these four volumes to its library will own one of the greatest treasures in all Christian Literature...."

THE BRITISH WEEKLY:

"These volumes should find a place in the library of many ministers, but they should also have a place in Christian Homes for the purpose of devotion; and all Bible Students will find them invaluable. They may be considered as a *running commentary to the New Testament*, for the main subjects are dealt with, and are placed in due order....a selection of some of the best sermons of the great preacher, and in them we find the notes of faith and wonder, appeal and warning, exhortation and comfort, and, withal, the Lord Jesus Christ is highly exalted."

THE PRESBYTERIAN:

"It is not too much to say that as sermons they stand alone, combining with their pure evangelical doctrine a directness, a simplicity, a transparency and an effectiveness of style unequaled by any other published sermons by men now in the pulpit or by those of other generations."

DWIGHT L. MOODY:

"There are no sermons better worth a preacher's study than Spurgeon's. Preachers ought to study the great models of preaching as artists do their masters, in order to learn their art. Certainly a preacher-peer among the great models was Spurgeon. No preacher can afford to be without his sermons."

WALTER A. MAIER (Concordia Seminary):

"Clear and forcible in diction and arrangement, they are vigorous expressions of Gospel truth which abound in striking pictures and direct appeals to the conscience and the emotions of his readers....models for several aspects of homiletical study...."

W. GRAHAM SCROGGIE:

"Spurgeon was, perhaps, God's Richest gift to the Christian Church since the Apostolic Age."

F. B. MEYER:

"They gave me a grip on the Gospel that I can never Lose."

Why is this set the Best?

It contains 679 complete sermons. Some of the 1,383 subjects are:

Tarbell's TEACHERS Guide

For three decades Dr. Martha Tarbell has continued to lend her skillful hand to helping teachers all over the world.

To the vast number of Sunday-school workers who use the Guide yearly, who have followed its pace with the times, enjoyed its freshness and helpful illustrations and been spurred by its wealth of suggestions, it is only necessary to announce that

DR. A. L. RYAN, *Business Secretary of World's Sunday School Association*, says: "Tarbell's Teachers' Guide has made a perfectly marvelous contribution to our work."

DR. GAIUS GLENN ATKINS says:
 "A wealth of material for the preacher.
 Tarbell's is far better in this field than
 many books published especially for the use
 of ministers"

Little
Symphony
Orchestra.

Wheaton
College
Band.

"With Trumpet -"

"PRAISE Him with the sound of the trumpet — praise Him upon the high-sounding cymbals." This is the command of the inspired psalmist. There seems to be a place for every instrument in proclaiming the story of Jesus' love. And Wheaton provides training for the skillful use of such instruments.

As a result, the Little Symphony Orchestra, and the Band, shown above, have become two of the leading musical organizations upon the campus.

The Orchestra has rendered some of the finest overtures and symphonies by classical composers. The Band has also given some splendid concerts, assisted by soloists from Sousa's and other band organizations. Both have been of real service in the Christian program of the College.

Wheaton has always stood sanely for the right things. An Annuity Contract with the College is a safe investment. It is inheritance-tax-free, cannot become lost or stolen, is backed by the resources of this conservatively managed institution, and pays the donor a fixed income for life. We welcome your correspondence.

Disappointed? YES, rather! Why? Because so comparatively few responded to our appeal, page 4, October issue! This means that we must now write out nearly as many bills to enclose in this issue. And we admit that doing the same work over again is rather discouraging when the demands on our time are so pressing.

Cheering! BUT there are always compensations, even in our trying times. We are cheered by the very many letters of commendation we received since the last issue was mailed. We are grateful for these letters. If only our printer would accept some of these letters at the value we place on them! But he can find no way to pass them on to his creditors! May we ask that you again read our appeal on page 4, October issue?

We print two of these letters—fair samples. To print all of them would require many pages.

Enclosed please find the two dollars (\$2.00) to cover my 1935 subscription for *Christian Faith and Life*. When you changed your magazine to that of a quarterly, I was dubious about my continued appreciation. The past annum convinced me that you have lost none of your evangelical charm and orthodox attraction. I am an enthusiastic pursuer of your positive presentation of the divine Truth.

May the great Head of the Church continue to use you as an able agent in advancing His cause along a front that is increasingly important in days like these. May the future reveal rewarding fruit in the way of increased interest via subscriptions, paid up promptly, and decided zeal in the evangelical cause of Christianity that you so ably present. May the faithful not forget you in their earnest petitions before His throne of grace Whose promises are for this day as in that day.

Greetings to you and your editors for a future freighted with increased interest to discharge the rising responsibilities resting upon you, in the name of our commanding Christ, to confess Him before men that He might confess us before His Father in Heaven.—Dr. K. J. S.

Throughout its entire history this Magazine has been the safest, sanest, fairest exponent of the great Fundamental Truths of God's Word, against all opposition. It has meant a great deal to me, during the over thirty years that I have taken it. I expect to continue it as long as I live.—J. H. H.

The editors and publishers make their best efforts to serve you acceptably, and we hope we deserve your consideration.

Anti-Evolution Books

The Collapse of Evolution; by Luther T. Townsend, D.D. 20c; 6 copies, \$1.00.

The author of this brochure gave trip-hammer blows to the theory of evolution. It is a book which everybody should read, whether he believes in evolution or not.

Weakness of Evolution; Dr. W. M. Frysinger. \$1.25. Special price \$1.00.

The author reasons that evolution "attempts the impossible," because it is an effort to "bring physico phenomena within the bounds of physical science."

Who are the Higher Critics and What is the Meaning of the Higher Criticism, Why is it Called Higher? Higher than What? By Canon Dyson Hague, D.D. 25c.

Creation and Science; by Glen Gates Cole, D.Litt. \$1.75.

If you want to see how effectively the doctrine of special creations can be upheld by an appeal to facts and reason, get this book. At the same time the inadequacy of evolution is set forth.

Science versus Evolution; by Judge Sterling P. King, LL.B. \$1.00.

An incisively written book, showing conclusively that evolution is not entitled to the name of science. The author proves that one part of organic nature could not long exist without the other; therefore the doctrine of long ages of development would have been impossible.

Inspiration or Evolution; by Wm. B. Riley, D.D. \$1.50.

Dr. Riley proves that the Bible could not possibly have come by the pathway of evolution. Then he exposes the inadequacy of evolution from many other viewpoints.

The New Geology; Evolutionary Geology and the New Catastrophism; by George McCready Price, M.A. \$3.50 and \$1.85 respectively.

These two books deal with the geological phases of the problem, and show that the fossiliferous strata of the earth do not occur in the order required by evolution. Some vast cataclysm alone can account for these conditions.

After Its Kind; Byron C. Nelson, Th.M. \$1.50.

A thoroughly scientific and sane examination of the problem. The gist of the book is that species breed true to type; it must be so or organisms could not subsist. The author was once inclined to accept evolution, but further investigation released him from its toils.

Christianity and False Evolutionism; by Alvin S. Zerbe, Ph.D., D.D. \$2.00.

Dr. Zerbe is thoroughly qualified to write on the subject. He has studied physical science deeply, and also other sciences of still greater importance in forming a world-view.

Evolution in a Nut Shell; by Alvin S. Zerbe, Ph.D., D.D. \$1.00.

This concise book tells us just what evolution is, and how inadequate it is to explain the varied phenomena of the cosmos.

Evolution in the Balances; Frank E. Allen. \$1.50

A very competent work, written in a terse and interesting style, with unanswerable arguments.

The Truth About Evolution; by William Schoeler. 75c.

A little book big with testimony to the truth, written in a terse and readable style; packed with reason and fact from beginning to end.

Reason and Evolution; by Geo. A. Zellers. \$1.50.

An author who summons the theory of evolution before the bar of reason and fact. Read the book and see how the theory fares.

The Phantom of Organic Evolution; by George McCready Price, M.A. \$1.50.

In this book Professor Price exposes the weakness of evolution from various standpoints.

The Case Against Evolution; by George Barry O'Toole, Ph.D., S.T.D. \$1.75.

This is perhaps the most technically scientific work against evolution that has thus far been published.

All sent prepaid. Address,

J. C. SPEER, Box 231, Tamaqua, Pa.

THE NEW CHAIN-REFERENCE BIBLE
truly a Bible *plus* a Biblical Library in one volume

(THIRD Improved EDITION)
EDITED BY REV. F. C. THOMPSON, D.D., PH.D.

Not an ordinary Reference Bible with the usual so-called "Helps." This is the only work of its kind in the world. New! Different! Better!
